## Not Always as we Think

A psychic booth was near us in Shreveport, so we Prayed that GOD would Save them. One day the 20 year old came over, sat down, heard the Gospel & Accepted Christ. She was 5<sup>th</sup> Generation in this business. Pray for her.

## Many Have No Idea

Skyler & Rose had “No Idea” as to whether they would or even could go to Heaven. When asked if they would like to see what the Bible had to say, they were more than willing. They sat down and listened intently as the Good News was presented to them. When asked if they Believed & would like to Receive that Free Gift of Salvation, they were Elated! Notice the JOY on their faces, Now, it was Not there before they came in!

## Dayton Strawberry Fest

When going to the Tenn. Office for a few days, we had not thought about this Festival going on, so we were Blessed to be able to minister there a couple of times and Share the Gospel. The boy on the left was originally from Canada, 3 of these teens Prayed to Receive Christ while in the booth. They were all very Thankful to “Know” they were Saved!

# Testimonies

## Keiffer & Kirsten

They were extremely sceptical about “Anybody Knowing whether they were ever Saved, or not”, but were willing to look at the Scriptures. After seeing what was written and asked if they Believed it, they looked at each other, bowed their heads and put their Faith in the LORD JESUS Christ as their Substitute for Sin!

## Emilee & Mychaele

They had no idea whether they would go to heaven or not. I thought she had a chance, because she had started going back to church. When asked if they could be shown in the Bible to know for sure, they were very interested. They both Believed the WORD & Received the Saviour!

## Security Guard Sue

She only worked in our building 1 day, for a few hours (we think GOD had something to do with that) She had thought that GOD left her every time she sinned. After hearing & seeing what the Bible had to say, she Prayed to receive JESUS as her Saviour then said, “I don’t think I ever meant it before, but I do now”. Kathy went over many verses on Security, GOD’s Grace & New Birth. Now “Security Sue” is Secured by the Blood of Christ!

## Obadiah & Sha'neil

Many people are like this couple, he was Saved, she wasn’t. but he encouraged her to come in and listen to the Gospel. At Invitation Time, he told her he was Thankful to have done this and that she would never be sorry, so she bowed her head as He led her in Prayer!

## Melissa & Jocelyn

These girls were a might timid, but also eager to see what the Bible had to say. We meet many that have Never had Anyone show them the plan of GOD’s Salvation in the Bible, some have never read a Bible at all. These young ladies were SOOO Thrilled to Know that JESUS had died for Their very own sins, that they got teary eyed, then Cheery Faced as they Prayed to Receive Christ as their Very Own!

## From Last Year

A young man came by and said that since he had been in and was Saved last year he goes to church 4 times each week and reads his Bible & Prays everyday. Praise GOD that HE is still Saving Souls and Changing Lives!

# PRAY FOR THE FAIR THAT GOD WOULD BLESS...

“When he giveth quietness, who then can make trouble?” Job 34:29a

## The Atmosphere

That our booth neighbors would be a positive or at least neutral influence

That there would be minimal auditory or visual distractions to workers and visitors while in the booth

That AGM would have a good testimony with fair administration in case vendors or patrons would make false accusations against us

That we would have opportunity to witness to our booth neighbors as appropriate

## The Workers

That we would be prepared spiritually, physically and mentally for the work

That we would remain spiritually focused during the shift

That we would have courage and be bold presenting the Gospel to the lost

That we would have faith in God’s power to work in the hearts of the hearers

That we would have genuine love, seriousness, prayer, humility and cheerfulness at all times

That we would be sensitive and obedient to the leading of the Holy Spirit

That we would be sensitive to the spiritual needs of prospects

## The Prospects

That passersby would be drawn and open to spiritual topics and not apprehensive to come inside the booth to talk about them more

That the devil would have no foothold in the minds of the hearers

That no interruptions would keep the prospects from hearing the entire Gospel

That the hearers would not forget the Word of truth given to them and that the Holy Spirit would convict them to repentance

That peers nor parents would steal the Word of truth from the hearts of the hearers

That Christian visitors, with unsaved friends or relatives with them, would be concerned about their souls and not pass up the opportunity for them to hear the Gospel but rather encourage them to take the time to listen

## The Witness

- In spite of our nervousness and ignorance, that the Gospel would be presented clearly, effectively and Biblically

That the Word would prick the heart of the hearers

## The Materials

- That the tracts given out would be read, understood and passed on to others to be read again and again

That the booth display would be interpreted correctly by passersby

## The Follow-up

- That converts would be open, seeking, and receptive to Christian follow-up

- That this fruit would “abide in the vine” to bear more fruit

That there would be Bible reading, studying, memorization and Christian fellowship daily
