Dan & Norm!!!

Dan brought Ce'Arron & Alana in to hear the Gospel. Alana was on her phone the whole time, video chatting, she told her boyfriend "You need to get over here & listen to this". As I was sharing, Norm's Face popped up on "Her Phone's Screen". Norm brought the 2 boys in & led them to Christ, after I had led the 2 girls to the LORD.

The girls quietly went in the back of the booth to wait on the boys (who did Not know they were there) They all left together - Knowing the LORD JESUS. (Thank GOD for using the Technology we have available for HIS Glory!

We Never Know for Sure

Sterling & Samantha were only 50% sure about Heaven, when they 1st came up. When told that we are never guaranteed of tomorrow, he said, "She lucked out today. That wreck totaled her car, but she wasn't hurt." I told them that GOD had saved her life so they could hear the Gospel & they came right in. After seeing what the Bible said, they Accepted the LORD. He said they were really Thankful that they now had the Assurance of Knowing the LORD! I could see that she was very concerned about where she would have been if things had turned out differently. (We see So Many Answers to Prayer, like this, though we do not wish these things on anyone, we Know they Do Happen. We also understand the LORD Uses things like this to Wake Folks Up, to Eternity & the things of GOD, so we Pray that HE would Convict Souls thru those things)!

From Shane!!!

Standing in front of the three-door unit and all of a sudden, a young man is standing looking me right in the face. He says "I want to hear the gospel." I stand in awe for a second and he says it again "I want to see the gospel". Well great let me show you the gospel in the Word of God. We sit down at the counsel table, and I begin to share the Roman Road while he is quoting most of the verses. So, I notice a young lady walks into the booth and is standing beside him. This is his older sister. "What are yall doing" she says. I am sharing the gospel with him, and we are about to pray. Would you like to see and pray with us? "No, I got to go" so she walks off quickly. I continue to talk to this young man. He is 15 and I get to the verses Roman 10:9-10,13 and ask him do you need to call upon the Lord and be saved? I am thinking since he is quoting the verses that he is saved. He says, "yes I need to be saved I need to call upon Jesus". I find out his name is Josiah, and we begin to pray together. As I am leading him in the sinner's prayer, I hear his sister right behind me on the outside of the booth. She is talking to her mom and explaining what her brother is doing. She says, "Josiah is praying and crying and its some booth that gave him a smile card". I hear the phone because she has it on facetime and the mother says, "Well why ain't you in there?". The daughter says "there is Jehovah witnesses over there and they are going to look at me" the mother says "well are the JW going to keep you from going to hell? You need to be in there with your brother getting saved! I know them people, let me talk with them." Meanwhile I am finished praying with Josiah and he is in tears and so thankful to have his sins forgiven. The daughter holds the phone to my face and says "mom wanted to talk to you" I see the lady on the phone, and she is holding a smile card. She says "I met you in Lulling, TX and you gave me this smile card years ago. Look I still have it!" I tell her how this blesses my heart and how neat this is. She says "this is an appointment only God could make and I am so thankful my son has been saved. May God bless you. My kids were raised under JW religion, and I have been saved now. Praise The Lord for Y'all and the ministry." I then told Josiah how good it is to have your sins forgiven and to now let the Spirit lead and guide and only do what the Lord says in His Word. I feel as God wants to really use you if you have a willing heart. I gave Him the follow up card, he filled it out and took the packet I gave him and he went his way. PRAISE GOD FOR HIS LEADING!

Jesus

Came up asking to hear what I had to say. He told me right away, "I used to be a Christian & go to church a lot, but... I've... ?". "Kind of Strayed away"? I finished. He said yeah, so I opened the Bible & shared a little about GOD's Forgiveness and the Prodigal Son. He finally told me he was ready to "Get Right with GOD". So He Did!

Garrett & Kara

They were maybe 50-75% sure of going to Heaven, so they came in to see. I explained the Gospel to them & asked if they believed it. They said they had just been discussing when they should "Get the Experience and have that tingly all over" when you get baptized, or if that was even normal like some of their friends had told them. I showed them that it is Faith, not Feelings or baptism or works that could Save Us, they got truly interested. When they saw Romans 10:9-10 they said they Understood their sin and Believed Jesus died to Pay for it, then asked, "Can we do that now"? They did and were Thrilled. On the way out Garrett said, "Thank You man, We've really needed this."

Arkansas Testimonies

Mimi, Siara, Shanya & Teairica

Standing in front of the tent, this mom & 3 teens had No Clue about their eternal destiny. But they truly were interested, so we showed them what the Bible had to say. Mom seemed a might skeptical as I shared, until we got to the Cross, she then opened up and was very interested. When asked if they would like to trust Christ for Salvation they all were emphatic that this what they all needed. Look at the Smiles they have now!

Barobyn & Zakiyah

Brought in daughter Z'mya (She Smiled & hummed the whole time). Dad had No Assurance, Mom was only sure that she was a Good Person. They both readily saw that they were in a bad way, if left on their own. They were Thrilled to Know that they would be with JESUS and we would see each other again.

Alabama Testimonies

Armando & Maria

When asked, Armando-33yrs, was not sure of going to heaven. They sat and let me take the Bible and share the gospel. And the spirit of God worked in the hearts and they accepted the gift of eternal life, thru Jesus their Saviour. Maria-10yrs wrote, "My God saved me from going to Hell" The God of mercy is always wanting to save souls, he just uses us to sow the Word, All Glory to Him!!!!

Kenziyah, Kenzaviea & Latoiya

Mom thought she knew a preacher that "Never Sinned", her girls were sure that All had sinned. None Knew the Gospel, though. So they came in, Heard the WORD and Prayed to Receive the LORD as their Saviour!

Antonianna & Demeshia

They weren't sure about Heaven, but they readily came in to see what the Bible had to say. After they Prayed, they Wrote- "Lord come into my heart and never leave me" & "Jesus just came into my heart".

New Workers

Martha, pictured (and David Boynton) came and helped at AL, they are from Maine. She shared with this Hispanic family for assurance, while the teenage daughter translated. They are in the process of joining AGM. We are thankful to the LORD of the Harvest for sending forth Labourers into the Fields. Thank GOD for another Mighty answer to Prayer.

Not So New Worker

Jerry Pirkle has been Sharing the Gospel for MANY Years, with AGM & thru Churches. This young man, Paul came in with him, heard the WORD and Accepted Christ. Then he was so Thrilled, that he asked if he could have a Picture taken with Brother Jerry. What a JOY it is to Serve the LORD!
