## Thanksgiving & Christmas Time

At this time of year many people are open to the Gospel Message, as stores play the "Traditional" Music & Decorations (at least in some places) have a Theme that directs our attention outward, if not upward. Even though it is so commercialized that the Message keeps getting lost or pushed aside, there could be a chance to reach a lost soul, somewhere. Please keep this in mind as you Shop, Dine Out, visit with family & friends and travel. It may be Your Best opportunity to tell someone the Gospel and see them ready to Receive the Message of JESUS's Birth, Death, Burial & Resurrection!

II Timothy 4:2-3 Preach the Word; be instant In Season, Out of Season; Reprove, Rebuke, Exhort with all Longsuffering and Doctrine. For the time will come...

## Joshua & Remy

Remy (Mom in the picture) came by the booth and told John Jackson, that her husband Joshua, had prayed to receive Christ with John last year!! She said, he had been baptized and was now the youth leader at their church!! She told John that this had totally changed their lives!!!! God is so good and we were so encouraged !!!

## Even Road Trips Are Providential

Dan prayed Monday morning that the LORD would give us someone to share tracts with and maybe be able to lead someone to Him. On our way down to meet Dakota and Krista a couple who had moved to Southern LA from our home church, we stopped at a Rest Stop just 11 miles from our destination. Not something we would normally do when we're that close! A family who needed help was at the Rest Area. And Dan and the dad went about 8 miles away to get gas, I stayed with Jaclyn and the 3 kids. And the LORD lead me to share with the girls like I was doing a Sunday School lesson and kept including Jaclyn. And finally when I finished sharing the Gospel, she said, "I need to be saved," (she had broke down in tears several times). She finally trusted Christ as her Saviour! As we came up from Prayer she was crying again! So thankful to be saved, and be a child of God! I am amazed at how the LORD works to bring about circumstances to get people right where He needs them to be, to hear the Gospel! They had been robbed after performing in a Rodeo. And spent the night at this Rest Stop. They are from South Dakota! Trying to get home! Only God could orchestrate all of the timing and turn something bad, for good I told her! Only God! And that's how much He loves you!

## Phoenix AZ

You can never anticipate who God will bring to your AGM booth. Larry Craft met a young man and woman in Phoenix during the fair. Both 23 years of age and as yet unmarried, she was raised as a Jehovah's Witness and he was raised as a "latter day saint/Mormon" In their discussions about their backgrounds they both felt a longing to know who God really is and had a feeling their beliefs did not supply the truth. Larry knew this couple needed to get into the WORD right there at the booth so they could receive the foundation needed to move forward and clear away the debris left in their minds by the Devil. Initially she had trouble grasping the triunity of the Godhead. Using John's Gospel, Larry laid out who God is and His gift of eternal life step by step. The couple then expressed their need and desire to receive Jesus and the gift of eternal life!

**All GLORY to GOD!**

## Dothan, AL

From the Jackson's - We had two couples that told me that they had been talking about their need to have God as the center of their lives!! This couple is getting married in February and told me that they had been talking about needing to have God in the center of their marriage! They were very open to hear the Gospel and to Pray to Receive Christ!

-----  
The Second couple came in and the guy told me that he had been trying to "get back to God"!! He said he had just bought a Bible and he had made sure it had "Holy Bible" on it!! They both made professions of faith as well!! God says "Whosoever will may come!!"

## Shreveport, LA

### Meliyah

She was very carefree about it all, until we asked her if she were sure about going to heaven. Then she was somber and wanted to see for herself. She read it in the Bible, Heard what the Gospel was and then Prayed to be Saved. Afterwards she said, "I Needed This So Much".

### They need to know

The last 2 groups I shared with, as I said He was buried in the tomb, I asked them what happened next? Both of them said, I don't know. They had no knowledge of the resurrection. We have to be out there telling them the truth, before it's too late! Both groups prayed to receive Jesus!

### Shay 28 & Wallace 27

They were maybe 25% sure of going to heaven. As they absorbed what the Bible said about being Born Again and accepting Jesus' sacrifice for their sin, they quietly bowed their head and prayed to receive the gift of eternal life and accepted Jesus as their Saviour! They were such a precious couple! They wrote "I invited Jesus into my heart." (Fruit to your account, as you all pray and send us forth!)

To God be the Glory!  
Great things He hath done!

## Angie & Michael

They were Thankful to hear that the LORD would even want them in Heaven & even more Thankful to find out that JESUS had already Done all the Work for them, they only had to Believe It & Receive HIM! So they did!

## Samantha

She came in to see from the Bible how to be Born Again. She began to cry as we talked about sin, and she said, God and I have kind of a love, hate relationship, because of some things that happened in my past. I did some counseling, I said a lot of things happen because of sin and choices people make. And we shouldn't blame God for that. She again began to cry and prayed to receive JESUS as her

Saviour! She thanked me over and over for sharing with her! Praise the LORD for HIS forgiveness!

## Kyle

He was in a wheel chair, from a football injury. He had Zero assurance he was going to Heaven, but wanted to know. Family members passed by and finally stopped to watch & listen as he bowed his head and Prayed. His Mother and family members all walked off as he Accepted Christ.
