John 4:35

"look on the fields for they are white already to harvest"

Dayton, TN

To Accomplish GREAT Things you need to ATTEMPT Great Things!

We want the Summer of 2025 to be Spectacular for the Glory of the Lord Jesus Christ! So we are attempting some great things that I don't have confidence (in the flesh) we can accomplish, but Heb 11:6 says He's not pleased if we aren't living this life in faith in HIS abundant power, supply and Love. I have a schedule of fairs on the back that need a supporter! If you see one that God lays on your heart to support, DO IT. *A supported fair is when someone takes responsibility for Praying for and Providing the cost or partial cost to see souls saved.* Send the corresponding cost to the mission with the fair name and we will attempt to get you a personal response with the results of 'your' fair. If you take responsibility, God will give you the reward, test Him, He likes being proven faithful in supplying and rewarding.

Caroline Eaker report

Almost a year ago, we asked prayer for one of our office workers, Ms. Carolyn Eaker. She had a massive heart attack and the doctors could not operate on her, eventually sending her home on hospice giving her only a couple of months to live. Well, she says to tell you thank you for the prayers, she is 1 month beyond what the doctor's said and is holding her own. No one knows their time to meet the Lord, but she is rejoicing in the time He has given her here on earth. With Guy Cowden passing away, she has even answered the phone for the office through a forwarded phone line. She has such a sweet spirit. Again, she said to tell you "Thank You for Your Prayers!"

"Meanwhile, back on the Ranch..."

While most will be out working fairs this summer, telling people the good news of the Gospel of Jesus Christ. We have some projects we would like to get done at the home office. Here are the needs and costs.

- ♦ **Update our computers (5).** We need software and hardware upgrades. I am asking for \$2000 per computer (5). I know that's high, but I'm old enough to have learned 'cheap' doesn't last like 'quality'. That price will include software upgrades.
- ♦ **Minor* remodeling of the office.** The office is in a house that was built in 1979. There have been no improvements made only repairs all these years. All 3 bathrooms need repairs. Outside Facia boards and some siding need replaced, some carpet replacement needed, lots of spackling and painting, etc. Cost: HOPING to keep it under \$10,000.
- ♦ **Repairs at the garage.** We use the garage to store, cut, assemble, box and then store the 3 door units going all over the world. There are repairs needed to be done, water is seeping in during rain, the garage door needs to be replaced, some electrical work needed and organizational things like shelving for better storage. Cost: \$7,500.
- ♦ **Smile Tract Fund.** We must have had an extra good year last year because we are way down on our tract fund. In July I will need over \$12,000 to purchase our second order of 250,000 booklets and the cards are going out faster than I have ever seen them ordered and shipping out! I usually purchase those 100,000 at a time, costing around \$4000. each order.

Consider Supporting AGM

I know you love this work by your response to these letters and communications. Would you please consider supporting on a monthly basis? We have a need. I am asking for the Lovers of the Gospel of Jesus Christ to step up and help. God's work needs to be done by God's people sent out by God's provision through those that have a heart for this work. Just be honorable to God's working in your heart.

"Reach Indiana" Training Meeting

Our first ever meeting to plan and cover the WHOLE state of Indiana was a great success. I am convinced that MANY, MANY SOULS will be saved from this first step in getting into every fair/festival in Indiana. It was hosted by Liberty Baptist Church in Rochester, IN. Pastor McSpadden hosted and helped tremendously in making it a success. Providing two meals, all the facilities and his whole-hearted support to see the lost saved! What a great church and pastor.

53 Questions to start a conversation to witness

I have a list of 53 questions you can ask someone to start a conversation about the Lord. If you are interested, I would love to send it to you, if you will *give any gift* to cover the cost. Write to Amazing Grace Mission, PO box 289, Dayton, TN 37321 asking for the 53 questions for soul winning.
