## State Fairs

AGM since it's beginning, has been Praying & Working toward getting into Every State Fair. Over the years, AGM has been in the vast majority of them. While some County Fairs, Regional or even Local Festivals can yield more Decisions than some State Fairs, the Reach throughout the State is normally greater, while local events are usually more localized. It seems that the Gospel has Truly gone out thru All 50 States, as AGM has been giving it out since 1983. Thank GOD with us for HIS Amazing Grace and HIS Salvation!

## Phoenix, AZ

### From: Larry Craft

It's been very slow here, in Phoenix, but Praise the LORD HE's still bring some souls in that HE's working on. I had two 18-year-olds yesterday a boy and a girl that were twins and they accepted Jesus Christ as their savior. They have been searching for two years now to figure out what they believe and they now believe on the LORD JESUS Christ. Praise the LORD!

## Perrone Family

Dad Louis, on the right, brought 3 sons right up to the booth, saying that only Anthony, next to him was Saved. They all came in, sat down & listened to the Gospel, then he said, "This is why we are here, we need what my boy has". Him, Louis Jr. & Michael all accepted Christ, while the Saved one Smiled!

## Andrew & William

They came up to answer my Riddle. They were Intrigued to know that going to Heaven was even possible. They were Awed that GOD wanted to Save them. Then they were Thrilled to actually Pray to the Creator of the Universe for forgiveness. No one had ever opened a Bible & shown them the TRUTH!

## Bryan & Keily

A Brother & Sister that did Not know they could be Saved. They were excited about the possibility an readily came in, Heard the Gospel & Received Christ as their Saviour.

## 43 Year Old Nina

From Conway, AR told us that she had never known anything about JESUS until a few weeks ago when a coworker told her she should watch a TV show—"The Chosen". She said she was shocked by what it portrayed Jesus doing. She timidly came in and listened very intently to the Gospel. When asked if she would like to put her Faith & Trust in JESUS, to take her sins away, she thought it thru for a minute, then slowly said, "What do I do?". The rest was All the Work of a Glorious GOD!

## Jackson, MS

### 70 Year Old Johnnie

It was senior's day. And he was with a group. And he wasn't sure of going to heaven. His friend said "I want you to go to heaven with me, we'll wait for you.

He carefully listened to and read everything I showed him from the Bible about how to be Born Again. And readily asked Jesus to save him. After he prayed, he said, "I hope he'll stay forever!" I showed him God's promise in Hebrews 13:5 "...I will never leave thee, nor forsake thee."

### 9 FFAer's

Different ones from different counties were around every day, helping to staff the "Farmtastic" Display. Some came in and some did not. Some were Saved already, some didn't want to hear about it, but some were ready. This group of 9 filled our booth and were very eager to see what the Bible

had to say. 3 of them Accepted Christ.

### Vincent & Lucas & Aven

These 3 teen clowns came up to the booth laughing and joking around. They thought I had to be putting them on, about going to heaven. Aven became very observant as I opened the Bible & shared with them. They all became quiet after a few minutes and quietly Prayed that GOD might forgive them and Save them. Now take a look at their faces!

### Brian-17 & Catasya-18

They saw from the Word, and readily prayed to receive Jesus as their Saviour.

Cataysha wrote, "Ask Jesus to forgive me for my sins, and to know that I believe."

Brian wrote, "To help me spiritually and mentally."

### Testimonies

These were a little hard to read, but I thought well worth putting in.

"I felt relieved of all the terrible things I have done in the past. I'm glad you have helped me with this today. I really needed this."

"I asked the Lord to come into my heart and give me eternal life. I felt the burden of not knowing my destiny be lifted off of me. Thank You."

### 27 Year Old Wykeita

She was very vocal about being 50% sure of Heaven, because she wasn't always a "Good Girl". She asked some good questions about the Scriptures and was very thoughtful. After seeing what the Bible had to say, she said she wouldn't be very bright if she Refused GOD's Salvation, so she Accepted Christ!
