Some Easy, Some Not

Things are still changing around us, so with the Fair Business. Biloxi, MS started so SLOW, that the workers were getting discouraged, then it finally picked up & they ended with **278** Souls for the LORD! Wise, VA started with a bang & stayed that way, as **106** made Professions of Faith in Christ! A County Fair in Indiana, just a week or so before the scheduled dates, said they had so Few Vendors that they would only do a 4H animal show. A few have had the lowest attendance ever. Others have said they didn't have enough room for us. So Please Keep the AGM Office & the Fair Boards in Prayer.

Mexico Fair

When they arrived, they could NOT gain a space to work at the event. So they took to the Streets and Flea Markets. They have been Sharing the Gospel for the past 2 months, in the area, and are still going. Many Souls have been brought to the Saviour and more are hearing the Good News, as you read this. Praise GOD for HIS Goodness & Mercy!

Psalms 26:7 That I may Publish with the voice of Thanksgiving, and Tell of ALL THY WONDROUS WORKS. This is the Reason For Publishing this Newsletter! To Give GOD GLORY!

Praise & Prayer Page

Tydus

He had always thought that his Good Deeds would need to outweigh his bad ones and that actually wasn't looking promising. After seeing what the Bible had to say, he readily agreed that he needed to be Saved and Prayed to Receive the LORD! Praise GOD!

Emily

Emily was so glad to here the gospel and see from the Bible how she could be Born Again. She wrote "Ask Jesus to be with me forever." She was joyful in her decision to trust JESUS Christ as her Saviour! God is always seeking to save the lost, who will ask in faith! believing He will save them! All Praise & Honour be to HIM!

Jacey & Autumn

Autumn was from Lawrence, KS and was visiting her friend and they had a divine appointment to keep. God drew them by our tent, and they both heard the truth of the Gospel and readily prayed to receive Jesus! Jacey wrote, "I asked Him to save me and rescue me from my sins."

Autumn wrote, "I became 100% sure I was going to heaven, I asked Him into my heart."

Time is Short

As we all look to the Sky for the LORD's Return, we need to keep Working While we have the Time! GOD's Spirit is Always Moving upon Hearts, but men either are Open to HIM, or they Run from HIM! Hudson Taylor is quoted as saying, "It doesn't matter how great the pressure is. What matters is where the pressure lies - whether it comes between you and GOD, or whether it presses you nearer HIS Heart." There is a decisive difference in the attitudes of many people over the past couple of years. They seem to be either More Open to the Gospel, or More Antagonistic Against the things of the LORD! Please Pray with us for More Souls to be Open, While There is still Time!

The Trouble With Travels

The Way things have gone in the past year or two has created some interesting situations. With fuel prices soaring, it's getting tough on many of our AGM Missionaries. RV's take a lot of fuel. Food costs rising is doing the same thing. Tires, Batteries, Repairs and other costs are now outrageous. Proverbs 6:11 says- ***So shall thy Poverty come as one that Travelleth***, for a reason. So, having said all of this, we All Truly need extra Prayer as we Travel this Fair Season!

Good Ol' Days Festival in Ft Scott, KS - the LORD brought in 17 people who set down and were shown from the Bible how they could put their trust in the death, burial, and resurrection of Jesus, God's perfect Son, and His sacrifice to pay for their sin debt, for we are hopelessly lost without Him! Romans 6:23 "For the wages of sin is death; but the gift of God is eternal life through Christ Jesus our Lord." and I John 1:7b "...and the blood of Jesus Christ his Son cleanseth us from all sin." and Romans 10:13 "For whosoever shall call on the name of the Lord shall be saved." Just a few of the verses used to show the need of all of our hearts! For it is a heart issue, God wants our heart; not religion, but a relationship! with each of us! Individually! Just think the God who created you, wants you, He wants to make you His child! The Mind blowing truth of the Gospel! Not that we deserve it, but He just LOVES us that much! If that doesn't get your heart to singing or put the Praise He deserves in your heart, and on your lips; then I would exam your heart and see if you are 100% sure of spending eternity with the GOD who created YOU, and make sure you know Him personally, and have been Born Again by His Spirit? Reread those verses and let them speak to you! Call on Him by faith, and believe He will save you and make you His child, NOW! I just felt lead of the Lord to share that, and please, if He's dealing with your heart respond to Him!

Bushwhacker Days in Nevada, MO, we saw God draw 18 people into the tent. It was hot and we were not thinking pictures! The heat index was close to 100 in the afternoon and people were scarce, but God is always wanting to save souls! So even on that hot day God drew 10 of those 18 to himself!

We had several people from our home church come out and help, and several from a local church in Nevada! Thank You for your heart for the lost! We love you all! It was good to be close to home for both of these events!!! But we go, because God has separated us unto the Gospel of God! Rom. 1:1
