John 4:35

"look on the fields for they are white already to harvest"

Dayton, TN

To God be the GLORY great things HE hath DONE!

This summer has been a banner year for souls saved at the fairs of America! Many fairs have recorded new all-time highs in the number of souls coming to profess Jesus Christ as Saviour! We truly give God ALL the Glory and Honor due to His name in doing the saving, as he does it all, the preparing, drawing, convicting, and the SAVING of "all that call on his name". Look at the results on the back. IF you adopted a fair you should have already gotten a report on 'your' fair, but if not check them all out. God is Good!

Dr. John Gardner Health report

While traveling in Iowa, I started having stomach problems. By July 4th, I couldn't keep anything down and was throwing up. We went to the Emergency Room in Des Moines, IA to get relief. Upon examining me they come back and said I had a 100% blockage and it was colon cancer. They wanted to do surgery immediately. I asked if I could travel home to Chattanooga TN area and they said yes, as long as I left immediately and went directly to the Emergency Room there. So we agreed and left our motorhome at First Baptist Church in Des Moines and drove all the way to Chattanooga, TN. It was Sunday evening, but they did surgery to add a coloscopy bag to relief the pressure. Then on August 19th, I had a colonoscopy to see what they were dealing with. Then on Sept 9th I had the surgery to remove the blockage and reattach my colon together. All was successful as God was merciful. Through it all we have had the peace that passes all understanding, the healing hand of the Great Physician, and His Grace in so many ways, to numerous to mention in this letter. I just got back from a check up after the surgery and the doctor said "if he were to sit down and write an optimistic pathology report it wouldn't have been as good as mine! 0 out of 21 Lymph nodes were cancerous, no signs ANYWHERE of other cancer, there weren't even any plops in my intestine! I still have mandatory recovery before he will allow me to drive the motorhome, but believe me, I am healing very well! YOUR DAILY PRAYERS MAKE A DIFFERENCE! Thank you for praying even if you didn't know what I was going through. But the whole point to my telling you all this is to reiterate what God has shown me. 2Cor 12:9 is my favorite through this all, that when I am weak, He is strong. *"...for my strength is made perfect in weakness. Most gladly therefore will I rather glory in my infirmities, that the power of Christ may rest upon me."* We have seen the power of Christ displayed in the fairs this summer while in my infirmity. I glory that I could learn this valuable lesson from the Lord. Acts 26:2, Paul said, "I think myself happy" (paraphrased and used out of context,) but, I have counted myself HAPPY for the cause of Christ Jesus my Lord. I must decrease He must increase! Hallelujah!

Update from last report

Last prayer letter in May, I had 4 items I asked for your help on. I am happy to announce that all 4 are completed or being worked on! First, the computers, we have a commitment to cover all the cost involved. That project is not complete, because basically I have not been able to be involved enough to get it accomplished. But it will be. The second was some updating at the office. We have accomplished what was necessary and may even do more as we have a great carpenter and wife that has been great. The garage work has been a personal blessing to me in many ways. We did not have to replace the garage door, which I love, not having to spend unnecessary funds, the old one works just fine with adjustments and parts. Also the area to work on the 3-doors got a little more organized with moving and storage space maximized. And lastly, I told you we were going to be going through a lot of Smiles and you came through there also. We were able to order 250,000 booklets for \$13,000 and 100,000 cards for \$4000. THANK YOU for the help! \$17,000 on tracts that will be changing lives, Praise God!

AGM National Conference Meeting

This year I'm doing something different. I'm not telling you who the speakers are. I had a thought during the year that everybody wants to know who the speakers are as if that determines if its going to be good or even deciding to come or not. The Holy Spirit is the one that takes the spoken work and works in our hearts to convict or edify. So, lets see what God will do this year. This doesn't mean I don't have anybody in mind, no they are all scheduled, but I just want God to get all the Glory from what happens and not because "someone" did a good job. Let's try this out and see what God will do.
